

7" Digital Photo Frame

It's your life Frame it with style !!

Transform that bulky photo album into this stylish digital photo frame and customize the way you share your photos. Rotate, zoom, select slideshow settings, and more all without a PC. There's no need to select only one photo for the living room frame anymore. Instead, show off your latest vacation, and special moments by displaying multiple photos on the digital photo frame directly from your memory card.

◆ Expression in a stylish way

Accent your room

Now you can slideshow your life moments with different frame styles to match your home décor, match your mood, or be part of that special occasion. Let CenOmax be part of your digital lifestyle!

◆ Variation / no boundaries

Relive your memories

CenOmax allows you to display as many photos as you like. It is more accessible than a PC and therefore offers the freedom of viewing your pictures in the living room again and again- there are no limits!
